25th April 2006

Dear Fellow Senators

I do not know where the year is going but it is almost one third gone and the April blossom is all out in the garden at last so hopefully we will get some time and good weather to enjoy it.

Morag and I have been doing our pilgrimage promoting Senate Fellowship round Britain and Europe having now visited four countries and the opposite ends of England with St Davids in Wales being the next stage of the pilgrimage in a couple of weeks time. Morag and I are planning to set off for St Davids a day early and visit the National Garden of Wales which was a Millennium project like the Eden project and makes a suitable stop on the way. If any of you want to make a long weekend of it and join us on Friday 12th May please let me know.

It was with great sadness that we heard of the death of Leon Jessel. However the many senators who attended his funeral on 31st March will remember Leon as a very special gentleman who added a sparkle where ever he was. He will be missed.

As you may have heard the membership of JCI UK is much lower than it used to be. However Jonathan Stone, our newest senator, and his team have aggressive plans to grow the membership by reviving old chambers and launching new ones. There are several initiatives being planed by JCI UK at chamber, regional and national level which could benefit from Senators' knowledge, experience and support. As Senators we need to do whatever we can to help JCI to grow and prosper when we are asked so if someone from JCI UK contacts you please do what you can to support them.

Also coming up is the European Conference in Tallinn and the pre-tour to St Petersburg both of which are attracting a large British Senate delegation and promise to be excellent. If you have not booked yet do so now or miss an event to remember.

There are also many other events in the British and International Senate calendar on the back page of the newsletter where you can have fun and enjoy Senate fellowship.

I hope to see you at a Senate event in the near future.

Peter
