Please return the form to Sara Gledhill - NOT your bank.

This allows it to be recorded. The form will then be forwarded to the bank address you have provided above

Please use this form if you wish to set up a new standing order or increase your present contribution to £25 per year to include the receipt of the mailings comprising the European Senate Magazine and the quarterly newsletters.

If you are setting up a new SO, enter the relevant subscription (e.g. £25) in both boxes. If you are updating an existing SO for less than the current subscription, the amount to be entered against the PLEASE PAY box is the difference between the standing order that your bank paid on the 2nd January 2015 and £25 (£35 if you live outside the UK).

Please don't forget to put your Senate number in the reference box.
