

*Come to the Jubilee my friend*

Dear Mont Garni Jubilee Golfers,

25 years ago, in the year 1990, our good friend and Belgian Senator Roger van der Schueren, (senator 3455) had a dream of bringing Senators from all over the world together to play on his private estate and enjoy the friendship in JCI that he had encountered while active in the Jaycee movement.

It was an honor for the co-founders, Luc Salens and Gerit Lovink, to be asked from such a dignified gentlemen and wife to inaugurate his new Golf Course on his private estate. Since our first Competition 25 years ago, Mont Garni attracted golf-playing Senators from all over Europe every year. His son Eric van der Schueren and his wife Marie respected the heritage in a most hospitable way.

The Belgian JCI Senators worked hard keeping this tournament attractive and we are glad that this tradition has not died. We still enjoy the privilege to organize our annual golf Competition at our Home Club in Mont Garni.

Now after 25 years of enjoyable work, we would like to celebrate this event in style. We have thought of going back to the roots of golf and celebrating like the British played in St. Andrews with English knickerbockers and British attire (... or whatever makes us look British) However, since it is middle of summer, we thought it better to keep our costumes for Friday evening...after the Opening Ceremony.

We have modified this year's program respecting the likes and dislikes of Golfers who participated in competitions in previous years. The new Program offers great Sport and is a super Jubilee Program. We are very glad that we already found some renown Sponsors like Roederer Champagne Belgique, IHG Intercontinental Hotel Group, Palace Hotel St. Moritz, Grand Resort Quellenhof Bad Ragaz, to name only a few. Any other ideas for Sponsorship are more than welcome. Please contact Rebecca directly.

It will be a great help for the organizers to receive your registration for the 2015 Jubilee Golf Championship as early as possible.

Wishing you all a wonderful New Year with many pleasant surprises and that golf continues uniting young and experienced Senators in a challenging Championship in Mont Garni.

In Jaycee spirit,
